

# Jamberoo FutureCare Going solar

Act now!  
**\$8000**  
rebate changes  
30 June 2009

Are you interested in grouping with other locals to purchase discounted grid-connected solar power for your home?

Take advantage of the \$8000 means-tested Government rebate which ends June 30th or the new solar credit scheme from 1st July 09!

Jamberoo FutureCare will be hosting two information sessions, in association with Solar Shop Australia. The presentation will explain the technology, government rebates and the new solar credit scheme. Everyone is encouraged to attend, free of charge.
