HOW TO USE THIS CLIMATE GUIDE

- Establish which coloured region you live in, then choose from the bulbs/plants listed, suitable for your area.
- Full growing instructions for each variety is included with your purchase.

Cool - Mild/warm summer cold winter	Semi-arid - Hot dry summer mild winter
Temperate - Warm summer cold winter	Mild Tropical - Warm humid summer
Arid - Hot dry summer cold winter	Tropical - Hot humid summer

How do I grow them?

Don't worry, you will receive our exclusive & comprehensive growing notes with your order.

It tells you all the basics on growing them. How deep, how far apart, how much sun, when to fertilise etc. It also has handy potting tips and hints on how to deal with pests or diseases.

Symbols Guide

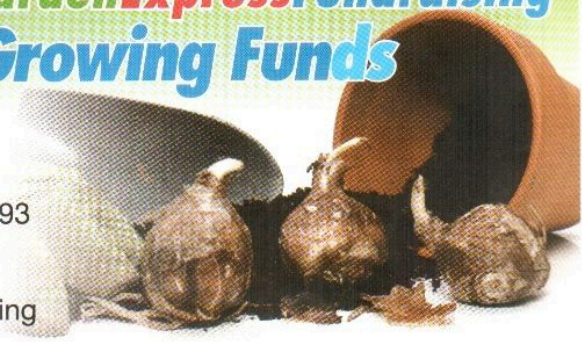

- This symbol indicates the approx. height this bulb will grow.
- This symbol indicates the approx. flowering time of the year.
- This symbol indicates this bulb enjoys a sunny aspect.
- This symbol indicates this bulb tolerates both a sunny or partly shaded aspect.
